Cementiles
by Bisazza
Launching new collections of tiles this year from Bisazza includes the Cementiles collection, as designed by American architect and designer David Rockwell. It features a series of decorative patterns, multiple shades of grey, blue, beige and rust tones that create gradient textures with an intricate blur effect.

2
Pivot
by Sky-Frame
This slim-framed door system features an axis specially developed by Sky-Frame, allowing an impressive glass-panelled pivot door to glide open easily with just a gentle push. Available in dimensions up to 2.5m wide and 4.5m high the glass door swings open easily around its axis to allow the existing architecture of a room to be enhanced with space.

3
Metallic Shades
by DESSO
A new addition to the 'Make it Your Own' carpet collection, the Metallic Shades range enables designers to experiment with lustrous and matte effects finishes. It features a selection of 10 colours, each available in two tile formats with differing intensity of metallic yarn. The tiles can be used as a single colour or in combination for zoning.

4
Form
by Jennifer Newman
Designed with minimalism in mind, this collection's clean lines add a sense of light and openness to a room. This table and chair combo is expertly crafted from steel and finished with matt lacquer and has a striking, slim profile that is durable enough to withstand life in busy studios, offices and other environments.

COPPA
by FUTURE Designs
Designed in collaboration with Barr Gazetas, this lighting system features at the Crown Estate-owned Regent Street Mezzanine. It marries traditional copper fixtures with latest LED technology, including etched glass discs for a soft luminance. A push-fit connector system enables ease of installation and maintenance.
